Queen's Fleet

The Crown's expedition to the new territory. A standing fleet sent to plant flags and hold the harbors that matter.

SHIPS
3 frigates

FITTINGS
4 each

CANNON SLOTS
3 broadside per side

MOVE COUNT
2

Passive: Disciplined Crew
Your ships can turn up to **180°** instead of 90° at the start of a move.

Playstyle
Balanced and forgiving. A solid first pick while you're learning how the table flows.

Corsairs

Privateers who came for the rush and stayed. They sail for whoever pays, or for themselves.

SHIPS
4 sloops

FITTINGS
3 each

CANNON SLOTS
3 broadside per side

MOVE COUNT
3

Passive: Plunder
Draw **1 bonus coin** on every successful board or island capture.

Playstyle
Hit-and-run. Pick fights you can disengage from. Don't get pinned in a slugging match.
