# Queen's Fleet

*The Crown's expedition to the new territory. A standing fleet sent to plant flags and hold the harbors that matter.*

### SHIPS
3 frigates

### FITTINGS
4 each

### CANNON SLOTS
3 broadside per side

### MOVE COUNT
2

### Passive: Disciplined Crew
Your ships can turn up to **180°** instead of 90° at the start of a move.

### Playstyle
Balanced and forgiving. A solid first pick while you're learning how the table flows.
