

*Ships lost in the first rush for the islands, surfaced again somehow.
Whatever crews there now does not answer hails.*

SHIPS

3 galleons

MOVE COUNT

3

FITTINGS

3 each

Shadow Fleet

Passive: Return from the Deep

Spend 2 **coins** to raise a sunken ship with 1 **fitting** on any island you hold.

Playstyle

Trade ships freely. Press fights others would walk away from; keep a held island close for fast returns.
